

PATRICIA EFFECT

In occasion of (lacked) visit in Vimercate by Pat Russo, CEO of Alcatel-Lucent, we reassume for the colleagues some data (source: Alcatel Lucent) on the course of the company.

Stock price: shares have lost a quarter of the price since Day One

Revenues: first half year down **8%** compared to first half 2006

Gross profit: first half year **down 19.8%** compared to first half 2006

Net income: **loss of 137 millions euro** compared to a positive 608 millions in first half 2006

But above all: JOB CUTS, PLANTS CLOSING , EVEN MORE PRECARIOUS JOBS

Thursday, Sept. 13, 2007: nth announcement that revises to worse economic forecasts for 2007, announces another plan review, and share goes down another 10%!

PAT, HOW MUCH DO YOU COST TO US???

Is top management paid according results? Maybe they have to reimburse the damages!
